This bill, the California Good Samaritan Food Donation Act, would expand these provisions to persons and gleaners who donate food, as defined. The bill would narrow the exception to protection from liability to injury resulting from gross negligence or intentional misconduct.

Current law requires that when establishing or extending the operation of specified voluntary tax contribution funds the words "voluntary tax contribution" be included in the name of the fund, that the administering agency comply with specified Internet Web site reporting requirements, that the fund provisions remain in effect only until January 1 of the 7th calendar year following the first appearance of the voluntary tax contribution on the personal income tax return, that the required calendar year minimum contribution amount for the fund to continue appearing on the return is \$250,000, and that the contributions be continuously appropriated from the fund to the administering entity. This bill would conform with those requirements by extending the operation of the provisions of the Keep Arts in Schools Fund to January 1, 2025, renaming the fund as the Keep Arts in Schools Voluntary Tax Contribution Fund, continuously appropriating the fund to the Franchise Tax Board, the Controller, and the Arts Council for purposes of carrying out these provisions, and requiring the Arts Council to comply with those Internet Web site reporting requirements.

Current law exempts from tax for the taxable year any charitable remainder annuity trust or charitable remainder unitrust, subject to specified requirements, including that the value of the charitable remainder interest must be at least 10% of the initial fair market value of all of the property placed in trust. Would make legislative findings regarding responding to pending proposals for federal tax reform and California's tax climate and would state that the intent of the bill is to make 3 changes to taxation within the state, including broadening the tax base by imposing a modest sales tax on services. This bill would also establish the Retail Sales Tax on Services Fund in the State Treasury and state the intent of the Legislature that moneys in the fund would be appropriated to, among other purposes, provide tax relief to middle- and low-income Californians to offset the effect of a sales tax on services.
